2022 CELEBRATION OF CHAMBOURCIN

Judging Criteria

- Entries will be evaluated by teams of Highly Qualified and Experienced Judges.
- Entries will be judged in order as established by the overseeing committee.
- Judging conducted by blind tasting.

Awards will be high quality custom designed medals. Awards will be Double Gold, Gold, Silver, and Bronze. Customized crystal trophy will be issued for Best in Show winner.

Evaluation of wines will be based on appearance, aroma, taste, finish, and overall quality using a modified 20-point rubric developed especially for the evaluation of French-American Hybrids. Each entry will be judged on its own merit. Wines are judged individually and not in flights. ALL decisions by competition organizers and judges are final.

Competition results will be posted online at www.JenNisBeverageMarketing.com and in issued press releases. Each participation winery is encouraged to produce their own press release for local press and to post on their own social media and website. You may copy our press release and customize it to meet your needs.

Our judges have years of competition judging experience and a large range of industry experience and certifications. Our panel of judges have credentials to include, American Wine Society Certified Wine Judge, WSET Level 2 & 3, American Wine Scholar, and Master Court of Sommeliers Level 1 & 2. We further often have several experienced winemakers and industry professionals regularly sit on our judging panel.

JenNis Beverage Marketing has organized wine competitions since 2016. Our past competitions include the Palmetto Wine Competition, North Carolina Mead-Cider-Fruit Wine Competition, and the American Sangria Challenge. Dennis and Jenni have each judge multiple wine competitions themselves.
